MISSIONARIES TO CAMBODIA

April '24 Praise & Prayer Update

PRAISES

As we reflect on the events of this past month, our souls have been filled with gratitude for the abundance of blessings we've experienced. March and leading into April have been bustling with activity as we traveled to **churches in Missouri and Texas**, where we were privileged to share our ministry and gain many **new partners** in prayer and support. Currently, we're basing our ministry and family out of Hallmark in Fort Worth for the next eight weeks, where **God's provision** has been evident at every turn. Though we miss our church and family, we were thankful to spend Easter weekend with Hallmark and see **15 people place their faith in Christ!** God is so Good!

Amidst the busyness, our family has **grown closer**, cherishing moments together during our deputation journey. Philip and Sarah have both turned 30 over the past couple of months, Arya is learning to write numbers and letters, and Kal is beginning to take his first steps! God has **filled our hearts** with so much joy as we grow closer to Him and each other.

An exciting update on our journey to Cambodia: we've secured our plane tickets and will be in **Cambodia from June 25th to August 21st!** The total cost for these tickets amounts to **\$7,100**, including extra luggage fees. If you feel led to contribute towards covering these expenses, your **support marked as 'travel'** would be immensely appreciated, **thank you** to those who have already donated to help meet this need.

During our travels, we had an encounter with a young man named **Justice**. Raised in the church, Justice embarked on a journey of questioning and doubt in his faith as a young adult. Although he initially shared a salvation testimony, he has since **"deconstructed" and left his faith**. We spent precious moments conversing with him about life and the **hope of the Gospel**, praying earnestly that God would capture his heart and **that He would believe in Jesus** as the way, the truth and the life - the **ONLY** Way to the Father.

PRAYERS

Your unwavering support and prayers help to sustain us, and we are deeply grateful for each one of you. Looking ahead, we're preparing to make our **setup costs** visible for prayer and donations in the coming months as we gear up to move to Cambodia by the end of the year. These costs include home setup and appliances, language school fees, and vehicle expenses. As we embark on this monumental transition, **we humbly ask for your prayers**, trusting in God's provision to meet our needs and seeking your partnership in this crucial phase of our journey.

- For Wisdom and guidance for our family as we plan our summer in Cambodia from June-Aug.

- For Justice, that he would come to a saving faith in Jesus as his savior.

- For more ministry partners to join in the call to take the Gospel to Cambodia!

- That God would begin to provide partners to help meet our setup cost needs.

- For safety as we travel and for the kids to enjoy this time on deputation!

We got the opportunity to take a family day to the Fort Worth Water Gardens and walked around the city, it was beautiful!

Kaladin turned 1 on March 21st!

We were blessed to be able to join the OKBBF for Presence Point's "Shepherd Leadership" conference. It was great to learn more about Biblical Shepherding.
