MISSIONARIES TO CAMBODIA

## August '24 Praise & Prayer Update

### PRAISES

Thank you for your constant **prayers, love, & support**. These past 2 months in Cambodia have been incredibly fruitful and have provided us with a deeper understanding of what life and ministry will be like here with our family. We are excited to share the many blessings we have experienced this past month and to give you a glimpse into the work **God is doing in Cambodia**.

Our health clinic this month was a remarkable success. We were blessed to have Sarah, Lay Heang (one of Pilot & Seyla's oldest children who is now a doctor), and two more doctors join us. Together, we **saw over 60 patients**, providing practical medicine to meet basic needs and, most importantly, sharing the love of Jesus in a Muslim community with the Cham people. We were able to do this openly and freely, which is a tremendous blessing. Please pray for our ministry partners and fellow workers as they **seek to reach the lost in this community** over the coming months and that God would bring a great increase! We are so grateful for **your medicine donations** that made this possible.

This month also marked a special milestone for us as we celebrated our **10-year anniversary** while being here in Cambodia! Praise God for giving us one another to demonstrate the love of Christ and His Church. We are thankful to be able to share the love of Christ together with those in Cambodia and to raise our wonderful children in this beautiful country.

We have also **moved into our new house** and are gradually getting everything set up. We praise God for providing us with a home in a safe area where our kids can be introduced to life in Cambodia. While we are still adjusting to life here, it is a great blessing to know that when we return in January, we will have a place to call home with our own things. **The kids love Cambodia as well**—they have enjoyed meeting many new friends, spending time with the kids from the children's home, and exploring this new place God has called us to, though they definitely miss our family and friends at home. **Thank you for your prayers** for Arya & Kaladin; please keep praying for them.

Through God's grace and your generosity, we have reached **just over 6% of our setup costs** after two months! We are saving diligently to add to this, and we have already been able to start using some of the house setup funds to move into our place. Praise God for these great blessings! We ask you to **pray and consider giving a one-time donation** to our setup costs to help us fully move to Cambodia and get everything we need to live and do ministry here. Please mark as "Special Gifts".

As we prepare to leave on Monday evening to return to America, we reflect on these months with **gratitude and excitement**. We have a busy schedule ahead as we finish our remaining deputation, but we look forward to being with many churches that have been praying for us and seeking God on our behalf. We pray for more ministry partners and fruitfulness as we conclude this phase of our journey. Thank you for your continued prayers, support, and generosity. We are overwhelmingly grateful for each of you and the role you play in our ministry.
