MISSIONARIES TO CAMBODIA

December '25 Praise & Prayer Update PRAISES

Dear Friends and Partners,

On this Christmas Day, we want to begin by simply saying **thank you**. Thank you for praying for our family, for our ministry, and for our dear partners here, Pastor Pilot and Seylah. God has been answering prayers in meaningful ways, and we continue to rely on your faithful prayer and love for us. This **Christmas was our very first away from home**, and while we knew it would be difficult, God met us with grace. Being able to video chat with family back home was a huge blessing. What we didn't expect was how God would open our home to our neighborhood. Throughout the afternoon, children kept coming over, and before we knew it, our house was full. We gathered together, read Luke chapter 2, and shared the story of Jesus. A few of the children were especially curious and wanted to learn more—this being the very first time they had ever heard the Christmas story and the **Gospel**. It was holy, humbling, and incredibly sweet.

Thank you as well for your continued **prayers for language school**. By God's grace, we have completed Level 5 and are moving into Level 6, and we are now able to have basic daily conversations and begin engaging in deeper discussions, especially as we learn how the Gospel is understood within Khmer culture. While language learning remains challenging, we are encouraged by steady progress.

We were recently **blessed to have High Street** serve here in Cambodia alongside our fellow workers, the Donovans, which directly impacted a need we have been asking you to pray about. Pastor Pilot and Seylah continue faithfully raising children God has entrusted to them—many from extremely difficult backgrounds—and God has already used this ministry to raise Christian leaders, doctors, and Gospel influences across Cambodia. During High Street's visit, the remaining funds needed to **complete the second children's home** were committed, allowing the project to move forward and providing a Christ-centered home for boys being discipled in the faith. While the long-term monthly needs for the children's home and church planting ministry are not yet fully met, we can clearly see God providing step by step through new partnerships and open doors.

PRAYERS

Before sharing specific prayer requests, we ask you to pray with us for the situation unfolding here in Southeast Asia. Over the past several weeks, tensions between **Cambodia and Thailand** have risen again, with airstrikes occurring up to 100 kilometers deep into Cambodia. This has caused significant fear among everyday Khmer people, and we ask that you **pray for peace**, wise leadership, and for hearts to be open to the peace only Christ can bring.

- **For the children who heard the Gospel to respond in faith.**
- **For wisdom and provision for Pilot and Seylah's long-term ministry needs.**
- **For continued growth and understanding in our language studies.**
- **That the lost across Cambodia would hear and believe the Gospel.**
- **For peace and protection amid tensions between Cambodia and Thailand.**

Merry Christmas! Thank you for your continued love and support for our family!

Our recent time with High Street visiting and an incredible Christmas Service at our Church in Takeo!
