

PHILIP & SARAH WRIGHT

MISSIONARIES TO CAMBODIA

February '25 Praise & Prayer Update

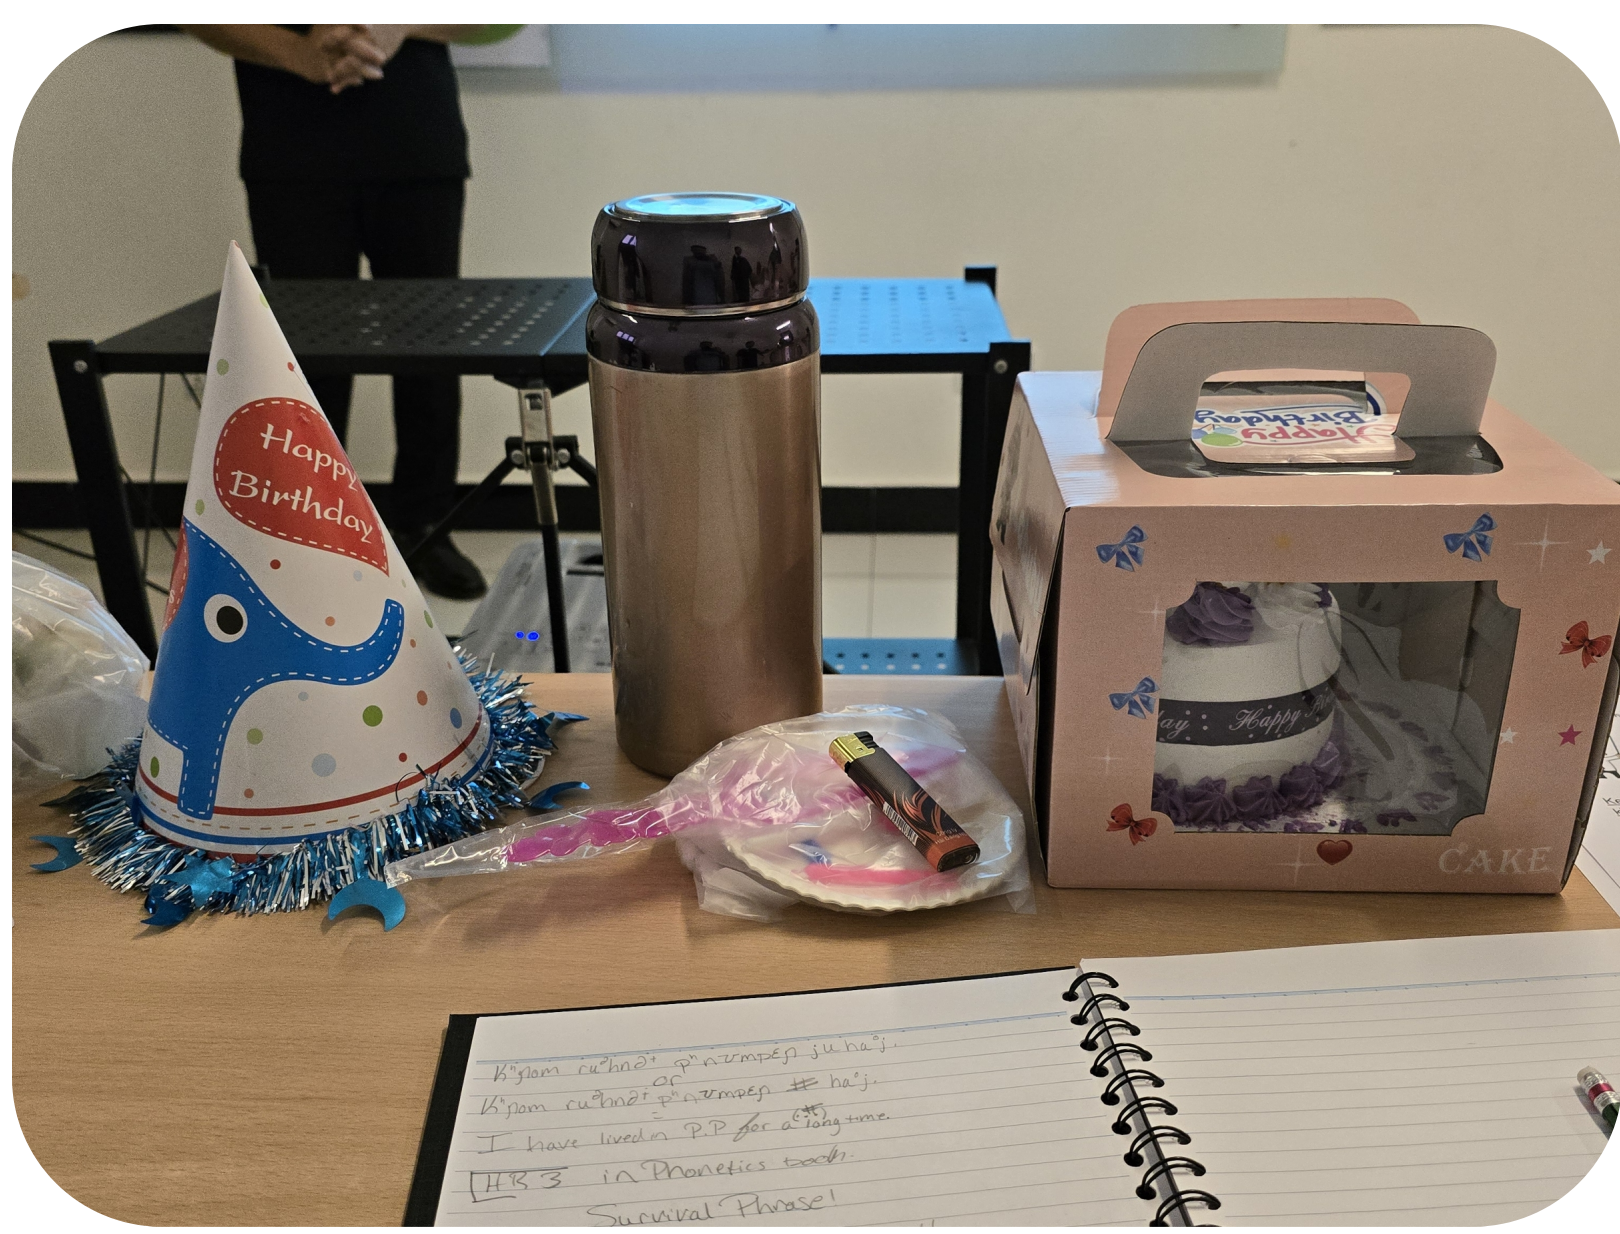

PRAISES

Thank you for partnering with us to reach the people of Cambodia with the Gospel of Jesus!

We have officially been in Cambodia for a **whole month!** It has been a full and exciting time of settling in, starting new routines, and seeing God work in amazing ways. If you've wondered what life has looked like for the Wrights this past month, here's a glimpse into our journey!

Arya started school and absolutely LOVES it! Meanwhile, **both of us have begun language school.** Learning Khmer is no small task, but we are making progress! Here's a little taste of what we've been learning: ជំរាបសួរ, យើងជា Wrights, សូមព្រះជាម្ចាស់ប្រទានពរអ្នក។ (Hello, we are the Wrights, may God bless you!) Right now, we are focusing on conversational Khmer and will begin reading and writing soon. Language school is 20 hours a week, plus plenty of homework, and we are also working with a tutor to help us **learn as effectively as possible.**

One of our language school classmates brought a birthday cake to celebrate Philip's Birthday.

This past month, we've also had the joy of building and strengthening relationships with our fellow ministry partners here in Cambodia. **We are so thankful for the friendships and support** of our fellow workers here, like the Donovans and Rogers, as well as our national partners, Pilot and Seylah. We've been attending a wonderful international church most weeks and also joining our Khmer partners for church in the local language at times. It has been a blessing to be part of a strong, faithful community of believers who are passionately serving Christ!

One of the biggest challenges we've faced this month is the **delay in receiving our shipment of items from the U.S.** Originally scheduled to arrive when we landed on January 10th, it has now been delayed close to two months due to logistical issues. As of now, it is scheduled to arrive by the first week of March. This shipment contains many of our essential belongings—kids' beds, toys, musical instruments, clothes, and other household items that will help make our house feel like home. **Please pray** with us that everything arrives soon and undamaged!

Looking ahead, we are excited to begin **hosting Bible studies and worship at our home** with some of the teenagers and young adults from the children's home. Many of these young people already have a heart for Christ, and we are eager to see how God continues to grow their faith as they serve Him.

Thank you for your continued love, prayers, and support! Your faithfulness has made this journey possible, and **we are honored to serve as your representatives here in Cambodia.** We can't wait to share more about how God is moving in the months ahead!

PRAYERS

- For our family to continue to adjust well to life in Cambodia.

- For our shipment to come in quickly and damage-free.

- For us to cling to Christ as life always has its ups and downs.

- For us to study and learn Khmer well to minister for years to come.

- For the Khmer we are building relationships with will come to know Christ.

Kal loves taking moto rides with dad to go pick Arya up from school!
