January '24 Praise & Prayer Update - 2023 Recap

PRAISES

Can you believe it is 2024 already? As we think back over this past year, we are filled with **gratitude** for the journey we've shared with each one of you. This year has been marked by incredible milestones and blessings that have shaped our path in **preparing for the mission field in Cambodia**. God's faithfulness and your unwavering support and prayers have been the cornerstone of our endeavors, propelling us forward in **fulfilling the Great Commission**.

Throughout 2023, we traversed states, connected with numerous churches, and witnessed the transformative power of the Gospel. From reaching **53% of our funding goal** to impactful encounters with individuals like Rory at Rosedale Christian Academy, each moment has underscored the significance of your partnership. Our travels even took Philip & our sending Pastor Scott Johnston to **Cambodia for pastoral and leadership training seminars**, a venture fully funded by your generosity.

In 2023 we have been incredibly blessed to get to know a wonderful couple, **the Donovans**, who are in our field currently learning the language and working to **reach the unreached with the Gospel in Cambodia!** We are excited to learn from their experience on the mission field and to have some wonderful people who love us and our family already in Cambodia. We also were able to spend some wonderful time with our **national partner, Pastor Pilot Nhap**, while in Cambodia. Multiple church buildings were funded and have been built through his ministry in partnership with Trailhead International in 2023.

On a personal level, our family added our **first son, Kaladin Wright, in March of 2023**. Arya loves being a big sister, and we have loved getting to spend so much time traveling around the USA **sharing our ministry as a family**. We have enjoyed this past month where we only had 1 church in December, so we got to spend the majority of the **holidays with our family in Indiana**. We lost my Great-Grandma, Grandma, and aunt over the last couple of months, so December was a much-needed time of rest and refreshment.

The year has been a great lesson for us of **God's provision**. As we look ahead to 2024, we carry the lessons and blessings of 2023 with us, **eager to continue the journey with you by our side**.
