January '25 Praise & Prayer Update

PRAISES

Our time together with family was so special before we left on January 9th

The kids remember riding in a TukTuk and they love it!

We have finally made it to Cambodia! After 18 months of deputation, 7 years since surrendering to the call of missions, 10 years of marriage, and two children, God has faithfully brought us here to serve Him. All glory and praise go to Him alone. **We are humbled and thankful** that God used you—your church, your love, your prayers, and your support—to get us here so quickly.

December was filled with **special moments** as we had an incredible time with family on vacation, said goodbye to our loved ones, and spent cherished time with our sending church. We were also blessed to reconnect with some of the very first churches that partnered with us in Indiana. Your encouragement and generosity have been a constant reminder of God's provision and faithfulness. **We are honored to represent you** and your church as we share the gospel with the Cambodian people, see lives transformed, and work to establish churches for generations to come.

Now begins the process of settling in. **Arya starts school on Monday**—her first time in full-day preschool! We will both be starting language school in the next three or four weeks juggling times so that one of us will always be home with Kal. Adjusting to a new culture and language will be a **big step**, but we trust God's guidance as we walk forward in His plan.

We also want to **extend a huge thank you** to those who generously donated medicine for upcoming health clinics. These resources will allow us to care for the physical needs of many in Cambodia while **sharing the love of Christ**. We will keep you updated on where we use these supplies and how God works through your generosity.

Finally, an update on our setup costs: we have now raised **56% of the total** amount needed. Thank you for being so faithful in giving toward these needs. Everything else we raise for setup costs will be going toward our ministry vehicles, and **we ask for your prayers** as we continue to work toward this goal.

We're excited to keep you updated through videos and prayer letters so you can join us as we find out what it's like to live and do ministry in Cambodia. Thank you for your prayers, love, and support as we embark on this new chapter. **God is good, and His faithfulness sustains us.**

PRAYERS

- For us to continue to settle into our new home and life.

- For all of us to hold onto Christ as we begin to miss family.

- For more Khmer people to come to know Christ as Savior.

- That Arya will love school and be a great student.

- For us to study and learn Khmer well to minister for years to come.

Home. Thank you for all of your love, prayers, and support.
