

PHILIP & SARAH WRIGHT

MISSIONARIES TO CAMBODIA

July '25 Praise & Prayer Update

PRAISES

Dear Friends and Partners,

As we begin this month's update, we want to say thank you so much to all our prayer warriors and financial supporters. Every story below is fruit from your faithfulness. God's plan for the ministry here in Cambodia clearly includes each of you—and we're so **thankful to walk this journey together**.

Our **first missions trip** in Cambodia with our sending church, New Life Baptist Church, was unforgettable. Eighteen team members came to serve, and in just one week we saw God move in powerful ways: more than 100 patients were helped through a rural health clinic, five village church plants were strengthened, 20 people were baptized, and **43 souls placed their faith in Christ!** It was such a joy to host them—and hard to say goodbye.

Thanks to your generosity and consistent prayers, we were **able to purchase a vehicle for ministry!** Our new Isuzu MU-X is a 4WD 7-seater SUV—reliable, comfortable, and perfect for traveling to remote villages. It will serve us for years to come as we continue **sharing the Gospel and planting local churches**.

After the team left, Philip's mom, stepdad, and little sister **spent two wonderful weeks** with us. They cherished every moment with Arya and Kal (and we did too!). It was refreshing and deeply encouraging to have family here—something we don't take for granted.

Weekly young adult Bible studies, worship gatherings, and growing relationships with Khmer friends **continue to thrive**. Language school is progressing well, and it's such a joy to finally carry on everyday conversations and build genuine friendships that open doors for ministry.

PRAYERS

Tensions have recently escalated on the **Cambodia–Thailand border**. Five days of fighting resulted in **38 deaths**, and the situation has stirred anxiety among everyday Cambodians who still carry memories of past war. The sad truth is that most likely ALL 38 of these people that passed away have slipped into a **restless eternity**, separated from God. We have ALOT of work to do. **Please pray** for continued peace and for diplomatic relationships to be restored.

Please lift up our national partners, Pastor Pilot and his wife Seylah Nhap. They are not only leaders in church planting, but also the full-time “parents” to a **children's home** where they're raising dozens of kids to know and follow Christ. These children are already making an impact—some have become doctors, ministry leaders, and godly young adults in their communities. But the ministry now faces an **urgent need for long-term support. About \$2,000/month is required** to meet basic needs and expand their mission. We're currently helping develop a sustainable plan. If God puts it on your heart to be part of this, **please reach out**—I'd love to connect you with this life-changing work.

- For us all to adjust well with school starting again next week.

- For God's wisdom on long-term funding for the Children's Home.

- For the Khmer we are building relationships with will come to know Christ.

Our group of 18 from New Life Baptist Church that came to visit and serve! God did some wonderful things.

We meet with around 10 young adults for discipleship and bible study every Saturday with our partners the Donovans!

Philip was able to Baptize 8 of the new believers at our church in Takeo!
