MISSIONARIES TO CAMBODIA

July '24 Praise & Prayer Update PRAISES

Taking our Kids to Siem Reap and visiting the Angkor Wat 9 years after our first trip.

Nine years. Exactly nine years ago, we arrived in Cambodia for the first time. Back then, we had no idea what **God had in store** for us and our eventual family. Just two weeks ago, we landed in Cambodia with the kids for the summer! God is good, and we can't wait to show you what He has been doing.

During our last two weeks in America, we were able to visit some churches in our area, our sending church, and much of our family. It was a precious time of **connection and support.**

On our way to Cambodia, we encountered a cancellation and had to wait an extra day in Detroit. By the time **we finally arrived in Phnom Penh**, we were exhausted. Now, two weeks into being here, the kids are starting to overcome the jet lag and get into a more normal sleep schedule. Praise God!

Taking the whole family to **New Life Baptist Church in Takeo** for the past two weeks has been wonderful. Arya and Kal are making friends everywhere we go. One of our main goals this summer was to find a home so that when we return in January, we have a place to land. We believe we have found a **great home in a wonderful community at an excellent price!**

PRAYERS & PARTNERSHIP

We are overwhelmed by the **incredible response to our call for medicine donations.** As you can see, God has answered our prayers in abundance. We received **over 400 bottles and packages of medicine**, and we are incredibly thankful for your generosity and support. We cannot wait to see how God uses this medicine to bless the people of Cambodia and further the reach of the Gospel.

We also want to extend our heartfelt thanks to all our supporters and partners for your contributions to our moving and setup costs. **In just one month, you have generously given 4% of our total need**, and we are diligently saving towards these four critical areas: Housing Setup, Language School, Kid's Schooling, and Ministry Vehicles. If you would like to give directly to our setup costs you can designate your gift as "Special Offering - Setup Costs". Your continued support and prayers are essential as we prepare for this next chapter of our ministry.

We know that God has been moving in great ways and answering your prayers for our ministry and family, so here are a few more ways that **you can be praying** for us this month:

- That our family would continue to adjust to life here in Cambodia

- For more partners to join our ministry on a monthly basis

- That we would continue to learn and utilize the Khmer Language

The Medicine that YOU donated to show the love of Christ to the people of Cambodia. THANK YOU!

Seeing some of our close friends from the Children's Home and NLBC of Takeo.
