MISSIONARIES TO CAMBODIA

## June '26 Praise & Prayer Update

### PRAISES

#### Dear Friends and Partners,

Thank you for your continued prayers, encouragement, and faithful support. One of our favorite parts of writing these updates is looking back at the things we've asked you to pray for and sharing how **God is answering those prayers**. We are constantly reminded that while we may be the ones serving in Cambodia, this ministry is truly a partnership between God's people working together to make Christ known.

One area many of you have been faithfully praying about is the ministry of our dear **partners, Pastor Pilot and Seila Nhap**. We are thankful to report that God has begun answering many of the needs surrounding both the children's home and church planting ministry. Through the generosity of churches and individuals, several meaningful partnerships have been established, helping provide both immediate relief and greater long-term stability. Several of our supporting churches have stepped up in significant ways, and we are incredibly thankful. Please continue praying for Pilot and Seilah as they seek additional monthly, quarterly, and yearly partners to help sustain and grow this ministry. God has already used the **children's home to raise Christian leaders**, pastors, doctors, and faithful believers who are impacting Cambodia for Christ, and we believe He is only getting started.

Another blessing has been seeing how language learning is opening doors for Gospel conversations. We are currently in Level 7 of language school, and conversations in Khmer are becoming more natural every month. Recently, while visiting a local trampoline park with the kids, several staff members recognized Philip from social media and began asking questions about his videos. What started as a casual conversation **quickly turned into a discussion about Jesus** and why our family moved to Cambodia. We are praying that some of these relationships will continue and eventually lead to Bible studies and discipleship opportunities. We are also now reading and writing Khmer, and recently Philip preached his second sermon fully in Khmer without the help of a translator. It certainly wasn't perfect, but it was a tremendous encouragement to see how God has used the past year and a half of language study. **Thank you for faithfully praying** for this aspect of our ministry—we can clearly see those prayers being answered.

We were also blessed recently by a missions team from Round Grove Baptist Church that came alongside our ministry partners, the Donovans. Together we traveled to one of our favorite ministry locations, the village where Pastor Hang faithfully serves. Through a health clinic and community outreach efforts, **six people placed their faith in Christ**. We praise God for His continued work there and ask that you continue praying for Pastor Hang as he recovers from recent health challenges. We are thankful to report that he is doing better, is able to walk around again, and continues faithfully serving his church and community.

### PRAYERS

- Continued provision and wisdom for Pilot and Seila's ministry.

- Fruit from new Gospel conversations and Bible studies.

- Wisdom as we begin homeschooling this school year.

- Continued growth through the remainder of language school.

- A fruitful furlough in 2027 and new long-term ministry partners.

Our Family was able to visit us over Khmer New Year! We are so incredibly thankful for this time.

Philip Preaching in Khmer at our church in Takeo, Cambodia! Thank you Jesus for Your Grace!

A group of our kids from KPC that we teach the Bible to weekly! We cannot go while in language school, please pray for them!
