MISSIONARIES TO CAMBODIA

March '24 Praise & Prayer Update

PRAISES

What a remarkable month it has been! March brought with it a flurry of activity, and we are **overflowing with gratitude** for the incredible journey we've been on. **Your daily prayers and support** have been a constant source of strength, and we are thrilled to share some exciting updates with you.

This past month we had the privilege of traveling to churches across **Indiana, Ohio, Missouri, and Texas**, alongside many other dedicated missionaries. It has been a joy to share our ministry and vision with so many wonderful communities, and we are humbled by the warm reception and support we've received. Through these travels, God has blessed us with **numerous new church partners** and individuals across the country who are fervently praying for our family and ministry.

There were many other **missionaries** that we met this past month who were such an **encouragement to us** and our family. As we have traveled around the country these past 8 months with Arya and Kaladin there are unique blessings, perspectives, and difficulties that fellow missionaries have also experienced or are experiencing. It is such a blessing to spend time with **other laborers who have been called out into the Lord's Harvest!**

We are excited to share the wonderful news that **your prayers for our passports arriving quickly have been answered!** God has once again proven His faithfulness, and we are filled with gratitude for His provision. With this important step behind us, we are now **preparing to purchase plane tickets** for our family to spend the summer in Cambodia. Our goal for the summer in Cambodia is multifaceted: to secure housing, obtain long-term visas, arrange schooling for our children, immerse our family in Cambodian life, and visit church plants and ministry sites. This will be a **crucial time of preparation** as we strategize our plan for our long-term move later this year. The cost of these tickets for our family is around \$8,000; **if God is leading you to help contribute** to the cost of these tickets that would be a great blessing to our family.

Upon our return from Cambodia in August, we have a **busy schedule of church visits** planned from September to December. We aim to **move to Cambodia after Christmas this year**, and we are confident that God is aligning all the pieces perfectly as we prepare our family for ministry in Cambodia.

As we continue to journey forward, we **covet your prayers for wisdom, guidance, and provision.** Your constant partnership means the world to us, and we are deeply grateful for your unwavering support.

PRAYERS

- For Wisdom and guidance for our family as we plan our summer in Cambodia from June-Aug.

- For the Gospel workers already in Cambodia to reach more people for Christ.

- For more ministry partners to join in the call to take the Gospel to Cambodia!

- For our family to get and remain healthy. This past month has been a lot of sickness.

- For safety as we travel around Texas and Oklahoma for the next month.

Sarah and the other ladies shared their heart for their mission field at Graceway Baptist Church's Missions conference.

The Wright's and Paiz' children!

We got to spend a lot of time with Pastor Brad Henderson at BBC Newark, OH. They were a great blessing to our family and ministry!
