## March '25 Praise & Prayer Update

### PRAISES

A small group of teenagers that we were able to start meeting with this past Sunday for Bible Study!

The Children's home says "Ah-Koun" or "Thank You!" For donating to help repair their home!

It's hard to believe we've already been in Cambodia for **over two months!** God has been so good, and we are constantly amazed at how He continues to provide and work in and through His people.

Last month, we shared the urgent need for repairs at our ministry partner's children's home. The boys' dorm had severe termite damage, making it unsafe. We asked you to pray and consider giving—and **in just one week, the \$6,000 need was fully met!** Not only that, but the extra funds given will allow for additional improvements to make the boys' home even stronger for years to come. **Thank you for your generosity** and faithfulness!

Language school is progressing well! We have both completed Level 1 and are now in Level 2, working hard to absorb and use Khmer daily. Alongside our classes, we meet with a tutor multiple times a week to practice the language, including reading and writing. **Please continue praying for us** as we push forward in learning the language!

This past week, we joined the launch of a **weekly Bible study with older teens** from the children's home! Our dear friends, the Donovans, are leading the study in Khmer, allowing us to help and learn as we grow in our ability to share God's Word in the local language. It's a joy to see these young people seeking Christ, and we are grateful to be part of their journey.

Another huge praise—our long-awaited **shipment has finally arrived!** After delays, everything is now unpacked, and we are getting settled. Aside from a couple of small broken picture frames, everything arrived safely. Thank you for praying for this need!

Praise God, our setup costs for housing, language school, and our children's schooling have all been fully met! However, we are still working toward **purchasing a reliable SUV for ministry** and medical trips to villages. Rainy season begins soon, and while we are thankful to have motos for daily travel, flooding will make many areas inaccessible without a vehicle. **We still need \$25,000** to purchase a quality SUV that will serve the ministry for years to come. Please pray for God's provision in this need!

We are so grateful for your continued prayers and support. Every step of this journey has been possible because of **your faithfulness and God's incredible provision.** We look forward to sharing more of what He is doing here in Cambodia!
