

PHILIP & SARAH WRIGHT

MISSIONARIES TO CAMBODIA

August '26 Praise & Prayer Update

PRAISES

Dear Friends and Partners,

Thank you for faithfully loving, praying for, and **supporting our family and ministry** here in Cambodia. We have been blessed by and are thankful for visiting missions teams, new partnerships supporting Pilot and Seylah's children's home and church planting ministry, and continued opportunities to serve alongside the Donovans and Nhap family.

We are also reaching some exciting milestones: Philip has **finished formal language school**, Sarah has just two weeks remaining, and we are preparing to begin homeschooling! We still have much to learn in Khmer, but after a year and a half of intensive study, we are incredibly thankful for the progress God has given us. Our weekly Bible studies and outreach in KPC Village also continue to bear fruit as we see people coming to Christ and learning what it means to truly **know and follow Jesus**.

One of our biggest answers to prayer came about a month ago when we officially **began our Bible Training Center!** Training pastors and church leaders has been a major part of our burden for Cambodia, and it is incredible to see this ministry beginning. Pilot, Jerry, and Philip are teaching 15 young adults, ages 18–28, for about five hours each week through classroom study, discipleship, and practical ministry. A Handful believe God is calling them to pastoral ministry, while the others are actively serving and desire to be better equipped. We are almost finished with our first course on Bible Study and Interpretation Methods, helping them faithfully study, understand, and teach God's Word. The total curriculum should take us around 2.5 years! **Please pray for these students** and for us as we teach them fully in Khmer!

99 People — From Death to Life!

Just a couple of weeks ago, some of those students had an incredible opportunity to put their training into practice. We returned with a visiting team to River Village, where Pastor Hang faithfully serves the only church in a community of roughly 4,000 people. The local school invited us to hold a children's program, where we shared a Bible story, clearly presented the Gospel, and four of our Bible Training Center students talked with smaller groups about what they had heard. That day, 85 children **placed their faith in Christ**, while another 14 adults professed faith through our health clinic and outreach—**99 people in one day!**

We know that some plant, some water, but God gives the increase. Please pray for Pastor Hang, these new believers, and our team as we work to disciple them, strengthen the church in River Village, and train future leaders to reach their own communities. Your prayers and faithful partnership help make this work possible, and we are incredibly **thankful to serve Christ here alongside you**.

PRAYERS

- For our 15 Bible Training Center students as they prepare for ministry.

- For the 99 new believers to grow in their faith.

- For Pastor Hang as he discipled believers and serves River Village.

- For continued Khmer language growth as we teach and minister.

- For our family as we begin homeschooling this new school year.

Our New Bible Training Program! This is 6 of the 15 students, and many of these young men believe God has called them to Pastor! Thank you Lord!

The school in River Village where we shared the Gospel and 99 people placed their faith in Christ! God is GOOD!

After a very busy couple of months, we are thankful to have a few days to relax and enjoy time together as a family!
