MISSIONARIES TO CAMBODIA

## November '24 Praise & Prayer Update

### PRAISES

This past month has taken us **all over the country**, from Oklahoma to New Jersey, Virginia, Colorado, and now on our way to New Mexico. We've been blessed to visit many new churches, share our vision, and pray with countless people as they deepen their relationship with Christ. We are amazed at how **God lead and provided** during this season.

We're excited to share that our monthly church support has grown from 84% to 94%, and our setup costs have risen from 27% to 42%! Your generosity and God's provision are preparing us well for our **January 9th move to Cambodia**, and we are so grateful for each of you who has supported us along the way.

One highlight of the month was our visit to Cross Creek Church in Colorado. As we shared our ministry, Philip had the honor of preaching three services and **13 people placed their faith in Christ!** We were humbled to be a part of this moment and ask you to pray for these new believers as they continue their journey with Christ.

The medicine that you helped donate this summer made a meaningful impact in the Cham community. Sarah and Lay Heang (our doctor friend from Pilot's home) have **identified a few more medicines and supplies that will be useful in the villages.** We would be honored if you would consider donating some of these medicines. We have included an **Amazon registry list** for those who wish to contribute, donations will be accepted until January 1st. Your support in this area helps us meet physical needs and opens doors for sharing God's love.

We were also blessed to spend time with our dear friends, Dave and Colleen Coble, in Arizona. Their encouragement reminded us of the **wonderful relationships God has used** to shape us in this life.

As we start our **final month of deputation**, we have just three more churches to present in. Please pray that these churches will join us in partnership and that we reach 100% of our funding goal. We are grateful for the last 18 months of sharing about Cambodia across the U.S. **God is good**, and we are humbled to serve Him in this calling.
