One-Way, 4 Passengers

God did it!! We bought our tickets and are headed to Cambodia on January 9th! Please pray for us as we prepare.

Our September BBFI meeting was held at Mt. Rushmore, and we got to be there with Pastor Scott & Carolyn!

We had a couple of amazing missions conferences back to back in MO & IN. We are thankful for great new ministry partners to take the Gospel to Cambodia together.

We have **incredible news** to share—thanks to God's leading, our faithful church partnerships, individual supporters, and our Corporate Partner, we have officially **purchased our tickets to move to Cambodia on January 9th!** Praise God—it's real, and it's happening! We're beyond excited to begin this next chapter in the ministry God has called us to.

This past month has been crazy full of travel, taking us to KY, TX, OK, SD, MO, and IN. Along the way, we've been blessed to **gain many new ministry partners**, share about Cambodia, and be encouraged by other missionaries and ministry leaders. These connections are helping to fuel **the work God is doing in Cambodia**, and we are incredibly thankful for the partnerships we've formed.

Recently, at High Street's World Project Mission Conference, we had the honor of connecting with several individuals and young adults who are **eager to serve the Lord**. We spent time praying with several who feel called to missions, answering their questions, and helping guide them as they take their next steps. This experience has been a powerful reminder that **deputation isn't just about raising support—it's about ministering to people** during this season. We are deeply grateful for this opportunity to **invest in future kingdom workers**.

We are currently at about **84% of our goal for monthly church partnerships** and have the rest of October and November scheduled to present in various churches. December will be a time to rest and enjoy family before our big move in January. If your church hasn't yet partnered with us financially, we would love to join your efforts to **Fulfill the Great Commission** by reaching the people of Cambodia with the Gospel.

In addition to our monthly support, **God has also been providing** for our one-time setup costs in an amazing way. In just the past month, your generosity has taken us from 10% to **27% of our total setup costs raised**. Thank you for giving so faithfully! As we continue saving, we ask that you **prayerfully consider a one-time gift** to help meet these needs before we leave for Cambodia.

PRAYERS

Here are a few ways you can join us in prayer over the next month:

- That we finish deputation strong in the next two months.

- For our family to enjoy our remaining time in America.

- For safety and health as we travel.

- For God to provide the rest of our financial needs.

- For the ongoing ministry in Cambodia to thrive.
