MISSIONARIES TO CAMBODIA

December 2022 Praise & Prayer Update

WE HAVE BEEN OFFICIALLY ACCEPTED AS WIN MISSIONARIES THROUGH THE BBFI!

PRAISE

WHEW! Thank you so much for your prayers and partnership to reach Cambodia. The last couple of months have been full of blessings and God has been growing us in our faith as we continue to follow and trust Him. Let me share a few of these praises with you.

In order for us to be officially accepted as WIN Missionaries, we had a seemingly impossible goal of paying off over **\$133,000 of Student loans**. From our Bachelor's and Sarah's Master's degrees we had an overwhelming amount of student debt. We did not know how we would pay this amount off in any reasonable amount of time. However, just as it was God who called us to be missionaries in Cambodia, it is God who is making a way for us to get there, and in just **under two years** we met our goal of paying off \$133,000 of our student debt and finished our missions training, to officially become WIN Missionaries. Praise GOD!

We were blessed to spend a week with some wonderful mentors, Steve & Jenell Bender, at the Missionary Communication Workshop in Running Springs, CA. The time invested here helped us learn to communicate our **passion to reach the lost** in Cambodia in a more effective way.

We were able to share our ministry in two churches, Bible Baptist Church in Missouri & New Hope Baptist in Indiana. We will begin **full-time deputation in June 2023** but these wonderful churches have already partnered with us to reach the Cambodian people.

In our personal lives, there are a couple of wonderful praises to share with you. First, we are expecting! **Baby boy Wright, is due March 26th, 2023**. We are so excited to add to our family and we praise God that Arya will have a little brother to come with her to Cambodia.

On Thanksgiving Day, Philip's grandfather Darrell Wright passed away, but he knew the Lord and at his funeral, Philip was able to get up and share the gospel of Jesus with his family, and **three people placed their faith in Jesus Christ!** It was such a blessing to see new life in Christ while remembering grandpa who has gone on to be with his Savior.

PRAYER

Colossians 4:2 says **"Continue in prayer, and watch in the same with thanksgiving."** Here are a few things that we would love for you to join us in prayer about.

- That God would open many doors for ministry partners on deputation.

- That the ministry @New Life, our home Church, would continue on strong.

- For the ministry to reach the 99% who are LOST in Cambodia to be effective now.

- That God may lead you to partner with us financially to reach the lost in Cambodia.

- That Sarah and baby Wright would be safe & healthy throughout the pregnancy.

Sharing our ministry @New Hope Baptist Church

6 young adults from Cambodia who attend college in New York spent Thanksgiving with us! 3 of these students need to know Christ as their personal Savior, pray for them!
