

PHILIP & SARAH WRIGHT

MISSIONARIES TO CAMBODIA

February 2023 Praise & Prayer Update

PRAISE

We are just **3 1/2 months away from beginning full-time deputation!** We have been working hard to schedule churches for June-December of 2023 and God is blessing our schedule already with Pastors & Churches that have a massive heart for missions for this summer. If God has put the people of Cambodia on your heart we would love to **partner with you & your Church** in order to reach them with the Gospel.

Our ministry partners, Pastor Pilot & Seilah Nhap of Cambodia, shared that during a Bible Class on Sunday, January 29th, **17 children repented of their sins and trusted Jesus as their Savior.** We have been praying that more of the 99% that are lost in Cambodia would come to know Christ - Praise God for His working!

The last couple of months has been such a blessing in our Youth & Worship Ministry at our home Church New Life Baptist Church. Our youth group is growing, **kids are coming to know Christ**, and teenagers are being discipled to be more like Christ. Praise God for allowing us to be a part of His plan at New Life over the past **9 years**.

We had a youth event one evening and Philip had to run home to grab some last-minute things unexpectedly. On the way home, our gas light came on and we had to stop at a gas station we don't normally use. Philip ran inside to grab a drink and there was a man inside who was obviously having a bad day.

As Philip was about to leave he felt God put this man on his heart so Philip asked his name and if he could pray with him. This man responded that his name was Christopher and broke down with tears. After spending some time together learning about Christopher - **Philip shared the gospel with him and Christopher accepted Jesus as his personal savior** in the parking lot of McClures! God worked a lot of unexpected circumstances together for Philip & Christopher to meet, praise God for interrupting our busy schedules in order to share hope with those who are hopeless.

PRAYER

Colossians 4:2 says "Continue in prayer, and watch in the same with thanksgiving." We are thankful that God has been answering prayers - here are things to continue praying for with us:

- That our baby boy due March 26th would be healthy and that the delivery would go smoothly.
- That God would supply many partnerships in ministry as we begin deputation in June.
- That God would supply our home Church, New Life, with the right youth pastor to reach and lead our teens and others in the community.
- That God may work in your heart to partner with us financially to share the Gospel in
- For more & more people in Cambodia to come to know Christ like the 17 who did last

These are the 17 children who placed their faith in Jesus on January 29th at Pastor Pilot's church!

Taking our youth group on a youth event to SkyZone, a wonderful event with a lot of new visitors.

On January 15th Philip was blessed to preach at Graceway Church in Auburn, IN while their Pastor, David Martin, was on a trip to Israel.
